X-MAS BALL - BAUBLES XXL

We say 'no' to boring Christmas decorations! It's high time to bring a little bit of spree to the surroundings thanks to large glittery Christmas baubles. These large ornaments will decorate any space and together with appropriate lighting, they will create the amazing illumination.

Their capabilities are as big as them and the only limit is your imagination.

INSTALLATION

rack / ring / pyramid / suspension

MATERIAL

fiberglass

TERRA CHRISTMAS TREE

In summer the Flower Towers decorate the city but when the warm days come to the end their charm starts to fade. However, there is nothing to stand in a way to impressively decorate the city squares in winter. To bring some Christmas atmosphere closer to your citizens and do the Flower Towers up, it is worth taking advantage of the Terra Christmas covers.

ARRANGEMENT

Christmas Cover on the Flower Towers

INSTALLATION

every segment of the Christmas cover is finished with the laser-cut rings which perfectly match one another; installation is just screwing the elements together
