Warranty	24 months

weight depending on the type of soil and its moisture

Terra's Cascading Flower Towers include a 2-year warranty program called "DOOR TO DOOR". In practice it is an extensive system of support and technical assistance, as well as an extremely efficient service guarantee. Product's flaws will promptly be fixed by our service team in any place designated or new products will be delivered.

## Colours (DUPLEX)

### DUPLEX System

The combination of the zinc coating and a layer of structural polyester powder paint guarantee a resistant protection surface, which durability can be defined as a doubled product of the sum of these two coatings.

## Production method

- laser-cut rings
- rings welded in MAG / TIG technology
- all the elements are hot dip zinc coated
- powder coated rings (DUPLEX system)

## Safety

- rubber gasket on each rings
- no sharp edges
- heavy and stable
- high resistance to vandalism
- can be fixed to the ground
