GIANTO CLASSIC

COLLECTION CLASSIC

Terra

A flower pot finished with a subtle decorative panel, based on a round form, softly widened to the top. It is made of a highly durable polyethylene, which guarantees resistance to mechanical damage and UV rays - this pot will outlast many years of use.

GIANTO SITO

COLLECTION URBANO

Terra

A trendy flower pot with a round base and the bottom adjusted to transport with a palette truck. Special grooves make its fixing really easy and fast. Durable materials from which Gianto is made guarantee high resistance to the mechanical damage, UV rays and unfavorable weather conditions. There are numerous ways of its use: the container can be a sandbox, a seat, a chill out place.

PLANTERS WITH BENCH SEATING

It will work in places, which do not have any access to natural ground though they need some elements of nature and an additional seating. Thanks to the highest quality material, from which the Gianto Sito was made, it will handle all weather conditions. It is resistant to the rain, snow, wind, and UV rays.

GIANTO TABLO

COLLECTION URBANO

Terra

A large flower pot, not only for urban space. The container is exceptionally durable and resistant to the various weather conditions, as it is made from the highest quality material. The pot has got a round base adjusted to the transport with a pallet truck to make its fixing fast and easy. Gianto can be used in various ways: it can be an urban

SHAPE & FUNCTION

The Gianto Tablo pot is a real hybrid - it combines classics and modernity. On the one hand, it has a well-know shape that works in any conditions. On the other - extraordinary use of the pot: as a city table. It is an ideal flower planter for common spaces. An appropriate size, durable materials and functionality are its greatest advantages.

GIANTO GRANDE NEW

COLLECTION URBANO

Terra

The largest urban pot from the collection. This big plant container also can be planted with larger shrubs and trees. Convenient delivery of decorations to the site is provided by special grooves for the forklift. It is a great solution for the most extensive space slacking natural elements.

GREAT GREENERY FOR YOUR CITY

The new version of the Gianto pot. Although the youngest, it is the largest - the Gianto Grande model has great potential! No wonder, because it is as much as 160 cm this huge, but light pot with a classic shape is a sign of significant changes in space.

FORM & COLOUR

A bowl of possibilities! This original pot distinguishes not only its size, but also its form. A round base expands upwards and is finished with a decorative ring. As the icing on the cake - its intense color will enliven any surroundings. The decoration is just perfect for modern spaces that lack natural accents and color accessories.
