

URBAN PLANTER COLLECTION

CUBE

Cube planters... **unlock endless creativity**
In our Cube collection, find planters, benches, stools,
and a trash bin.

CUBE is an extraordinary decorative solution that will not only bring **an explosion of colors** to urban spaces but also open the doors to endless decorative possibilities throughout the year.

CUBE

CUBE is not just a planter; it's a product where **your ideas become reality.**

- **Personalization: Possibility to place a personalized logo or the city's coat of arms.** This makes **Cube** not only a decoration but also an important element of the city's identity.
- **Modular Design:** Stackable like Lego blocks, Cube planters present unlimited arrangement possibilities.

Choose a planter and give your city **a unique, innovative, and original appearance!**

Discover the power of color with
CUBE planters.
