Ask your sales advisor about the details

Terra Flower Tower construction is under a 3-year warranty program called „DOOR TO DOOR“. In fact, it is an extensive system of support and technical assistance, as well as an extremely efficient service guarantee. When a fault is detected in our products, service team fix it wherever you want or exchange the product with a new one.

Production method

laser-cut rings

MAG/TIG welded rings

hot dip galvanized

Optional

powder coated rings (DUPLEX system)

Colours

DUPLEX System

The combination of a galvanized layer and a polyester powder coat gives an extraordinary resistance. The top coat of paint, which supposed to be a decoration, becomes an additional anticorrosive layer.

Safety

rubber seals on each ring

no sharp edges

high weight and stability

high resistance to vandalism

fixing to the ground (optional)

Assembly system
